How to get to UQ Campuses

The University of Queensland St Lucia campus is approximately 5km from the city centre and easily reached by a number of different transport options. It generally takes between 20 – 30 minutes by taxi depending on the traffic and this is often the best way to reach the St Lucia Campus for your first meeting. More specific directions to the three UQ campuses, St Lucia, Herston and Gatton, can be found at: [Directions to campuses](#)
